Selection of the best projects in the Europeans for Peace funding programme

Dear Mrs Radhauer,

The project results for the EUROPEANS FOR PEACE funding programme for 2008/2009 have now been evaluated by the foundation "Remembrance, Responsibility and Future" and we are pleased to inform you that the project "Origins – what are they? German, Jewish and Arabic young people examine issues around Flight, Expulsion and Migration" involving the

Deutsch-Israelische Gesellschaft e. V. Berlin,
Germany

and

Regional High school Amakim –Tavor,
Kibbuz Mizra,
Israel

and

High school Iksal,
Israel

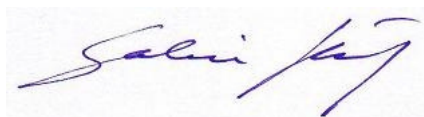

has been selected on the grounds of its high standard as an exemplary project on the theme of "Origin and Diversity". Please accept our heartfelt congratulations to you and the project group and our warmest thanks for supporting the project!

The prize money of 2,000 Euros is to be spent on developing the partnership and other project work. You are also invited, along with five other exemplary projects, to a three day award event in Berlin, during which you can participate in a project day "Experience Origin and Diversity in Berlin" and you will be given the opportunity to present your project to a wider audience at a celebratory event as well. One project leader and three participants from each partner institution may attend the award event.

The **award event** will take place from **7th to 9th of December in Berlin**. We are also sending the invitation and further information by email to Frau Krumpholz as contact person.

We are very much looking forward to meeting the project participants in Berlin.

Yours sincerely,

Sabine Krüger
